

עֵת לְרִקּוֹד - Et Lirkod

“A Time to Dance!”

(Ecclesiastes) 3:4

Starting Tuesday, Oct. 13th

Come Dance • Worship • Fellowship • Get Moving!

Do you love to worship ADONAI? Would you like to learn another beautiful way to express your worship?

You're invited to join us for Davidic Worship & Israeli Folk Dance, taught by Leah Aiger in association with Oseh Shalom Messianic Jewish Congregation.

All are welcome! Whether you have danced for years or have never danced before, we would love for you to join us. No previous dance experience is necessary. Together we will learn Davidic worship dance and Israeli folk dance, enjoy fellowship, get some great exercise, and experience the joy of worshiping ADONAI together.

Davidic worship is more than simply learning dance steps. It is an opportunity to use our whole bodies to express praise, thanksgiving, joy, and worship before ADONAI. As we learn together, our desire is to create an encouraging environment where we can grow closer to one another while keeping ADONAI at the center of everything we do.

Bring a friend—or bring several! Come ready to dance, laugh, learn, fellowship, exercise, and worship together.
